La Casa's Family Night

We at La Casa invite you to come dine with us family style, a meal in the style of an Italian American wedding or holiday feast, where extra large portions of authentic homemade antipasto, imported pastas, fresh seafood and juicy meats are passed around the table on extra large platters.

It's a perfect place to enjoy family, friends, good food and good wine, just like Grandma's house used to be.

So come to La Casa, our house, on Sunday nights to sit with us and enjoy.
